

KALC International Conference 2025

Thursday, November 6, 2025

TIME	ROOM A	ROOM B	ROOM C	ROOM D
08:30-09:10	Satellite Symposium I (A) 		Satellite Symposium I (C) BORYUNG	
09:10-09:20	Opening			
09:20-10:20	Session I (A) Lung Cancer and Risk Factors	Session I (B) Advanced Radiation Techniques and Technologies	Session I (C) Controversies and Future Directions of Lung Cancer Screening	
10:20-10:35	Coffee Break			
10:35-11:35	Session II (A) Partnering for Life: Creating a Seamless Journey Together	Session II (B) Latest Trends in Biomarker-Based Precision Medicine (KASTT)	Session II (C) Nodule Management and Early Diagnostic Strategies	
11:35-11:50	Coffee Break			
11:50-12:30	Plenary Session I – Prof. Solange Peters (Centre Hospitalier Universitaire Vaudois, Switzerland)			
12:30-13:10	Luncheon Symposium I 			
13:10-13:30	Coffee Break			
13:30-14:30	Session III (A) Thymic Epithelial Tumors: Multidisciplinary Approach	Session III (B) ADCs: Current Controversies	Session III (C) Interventional Pulmonology	
14:30-14:45	Coffee Break			폐암의 날 (14:30)
14:45-15:45	Session IV (A) The Evolving Landscape of Lung Cancer Surgery	Session IV (B) Oncogene Addicted NSCLC: Beyond EGFR and ALK	Session IV (C) Oral Presentation I	
15:45-16:00	Coffee Break			
16:00-16:40	Satellite Symposium II (A) Johnson&Johnson Innovative Medicine	Satellite Symposium II (B) 	Satellite Symposium II (C) 	

KALC International Conference 2025

Friday, November 7, 2025

TIME	ROOM A	ROOM B	ROOM C	ROOM D
08:20-09:00	Satellite Symposium III (A) 		Satellite Symposium III (C) 	
09:00-09:10	Break			
09:10-10:10	Session V (A) Novel immunotherapies beyond the PD1 pathway	Session V (B) Insights into Lung Cancer Pathology	Session V (C) Oral Presentation II	Joint Symposium with HIRA (Korean) - 가이드라인과 급여
10:10-10:25	Coffee Break			
10:25-11:25	Session VI (A) Challenges during Immunotherapy	Session VI (B) Unlocking Lung Cancer: Biological Discoveries	Session VI (C) Oral Presentation III	
11:25-11:40	Coffee Break			
11:40-12:20	Luncheon Symposium II  YUHAN			
12:20-12:50	KALC General Meeting			
12:50-13:30	Plenary Session II – Prof. Natasha B. Leighl (Princess Margaret Cancer Centre, Canada)			
13:30-13:50	Coffee Break			
13:50-14:50	Session VII (A) Surgery in the Chemoimmunotherapy Era: Global Perspectives	Session VII (B) Biology and Novel Agents in SCLC	Session VII (C) EGFR-Mutant NSCLC: Optimal Regimen & Rationale	
14:50-15:05	Coffee Break			
15:05-16:05	Session VIII (A) Stage-Specific Considerations and Dilemmas	Session VIII (B) Decoding the Tumor Microenvironment: A High-Tech Revolution	Session VIII (C) Innovative Multi-Omics Approaches	
16:05-16:45	Closing Symposium  MSD			
16:45-17:10	Closing & Award Ceremony
